ABOUT THE WALES

The Résidence Wales Home is a private, not-for-profit, government-designated, English-speaking retirement home situated in the Eastern Townships. The Wales provides a continuum of care for up to 240 adults who range from being completely independent to those requiring specialized care, including two micro-milieus for seniors afflicted with dementia, due to the CHSLD Wales Inc. operating under the same roof. The Wales accomplishes its mission of maintaining senior autonomy with a valuable team of 183 skilled employees, over 210 passionate volunteers, and several professional partners.

JOB SUMMARY

As a compassionate nurse and Supervisor, you will provide guidance to the LPNs and beneficiary attendants on each unit and your strong decision-making skills will allow you to respond to emergency situations. You will evaluate residents and communicate directly with family members, your clinical team, and the doctors.
