

## **WALES HOME ONLINE AUCTION**

Due to health regulations, we are unable to hold an “in person” Silent auction again this year. Not to fear, the Wales Home Online Auction is back again for its second edition! Like last year, the online auction will be held on our Facebook page. This year’s auction will be for a shorter length of time. It will begin Friday, November 12<sup>th</sup> at 2:00pm and end on Sunday, November 21 at **11:59pm**.

Special thank you to the Wales Home Ladies’ Auxiliary who consistently donate funds to the residents’ wellbeing, in part due to the success of fundraisers such as this.
