ABOUT THE CHSLD WALES INC.

The CHSLD Wales Inc. provides a continuum of care for seniors based on the community's needs. As a Planetree Gold-Certified facility, the CHSLD Wales strives for excellence and ensures that endeavours begin and end with the health and well-being of its residents, employees, and the community it serves. The Wales is resident-focused and integrates their needs and expectations into its operations. The CHSLD respects and encourages employees to grow and thrive as unique contributors to their teams and recognizes that one of the only viable paths to success is through developing with people.

JOB SUMMARY

The Clinical Aide's role is to support nursing staff to alleviate non-clinical duties. The medical team can therefore devote more time to resident care. The Clinical Aide's main duties are to ensure sufficient supplies are available for clinical staff and residents, to ensure clothing is properly sorted, to keep residents entertained, to assist residents at mealtimes, and to ensure mobility aids and supplies are clean.
