**RE: SEVENTY-EIGHTH WALES COVID-19 UPDATE**

Dear Residents, Employees and Family Members,

We regret to inform you that two employees working on Central have tested positive for Covid-19. **Effective immediately, ALL RESIDENTS living on Central, are now on PREVENTIVE ISOLATION and must quarantine.** Each resident can be visited by per day until the preventive measures are lifted by public health. Please identify four primary caregivers and advise the visitor coordinator at Door number one. All employees and primary caregivers must always wear a surgical mask, a visor/goggles, gown, and gloves when on the unit. Public Health has advised that visors can be reused but must be disinfected at the end of each shift/visit.

Follow the procedure:

1. Apply clean gloves
2. Use disinfectant wipes to clean inside of visor / goggles followed by outside
3. Place in clean bag until next use

**Tomorrow all employees in contact with residents living on Central, Norton 1, 2, 3 and Manning/Shaw 1 & 2 will be tested for Covid-19. Employees will be tested between 9:15 to 10:30 in the Mitchell room. Employees must bring their RAMQ card and ensure distancing while waiting in line to be tested.**

I am pleased to announce that the inspection processed by two Nurses from the CIUSSS on December 25<sup>th</sup> was very positive; there were minor recommendations which have been implemented.

We will continue to provide you with regular updates and will promptly notify you of any changes. Please do not hesitate to contact me with questions or concerns at 819-826-3266 extension 247 or you can also visit our website for updates at [www.waleshome.ca/all-the-news](http://www.waleshome.ca/all-the-news).

Sincerely,

Brendalee Piironen  
Executive Director
