**REGARDING: 158<sup>TH</sup> WALES COVID-19 UPDATE**

---

Dear Residents, Employees, Family Members, and Volunteers,

Since our last update, three Shaw 2 residents, one Manning Basement resident, one Shaw 3 resident, one Norton 2 resident, and one Manning 2 resident tested positive for COVID-19 and are therefore self-isolating to their rooms for ten days. Their two tablemates from Shaw 3 tested negative but are preventively isolating to their rooms for five days. The table below depicts our current COVID-19 situation:

Unit	Number of Positive Cases	Outbreak?
Central	0/12 = 0%	No
Manning Basement	1/10 = 10%	No
Manning and Shaw 1	12/29 = 41%	Yes
Manning and Shaw 2	6/27 = 22%	Yes
Norton 1	0/32 = 0%	Yes (will be lifted on Monday if no new positive cases occur)
Norton 2	8/32 = 25%	Yes
Norton 3	0/32 = 0%	No
Shaw 3	5/12 = 42%	Yes
Shaw 4 and the Mitchell Suites	2/10 = 20%	Yes
<b>Total</b>	<b>33/196 = 17%</b>	<b>Six units under outbreak</b>

Five employees are currently out sick due to the virus, constituting twenty-one missing shifts per week. Employees will closely monitor residents to ensure no deconditioning occurs, including maintaining scheduled bathing, supervised walks in hallways with proper personal protective equipment, and individualized visits from the Activity Department in their rooms.

We will keep you updated as this situation progresses. If you have any questions or concerns, please do not hesitate to contact me at the coordinates below or visit our website at <https://waleshome.ca/all-the-news>. Thank you for helping keep our residents and employees safe!

Sincerely,

Brendalee Piironen
