REGARDING: 126TH WALES COVID-19 UPDATE

Dear Residents, Employees, Family Members, and Volunteers,

There have been no new COVID-19 cases at the Wales since our last update. Effective tomorrow, RPA residents no longer need to wear masks in common areas, *unless* a CHSLD resident is in the same room. Please see the table below for examples:

Is masking necessary when...	RPA Residents	CHSLD Residents
... I visit my neighbour?	No	
... I go to the Main Dining Room?	No	
... I go outside?	No	Once outside, masks can be removed
... I attend activities in the Main Living Room?	If CHSLD residents are present, then yes	
... I bike in the Therapy Room?		
... I attend Friday Tea in the Main Dining Room?		
... I visit a resident in the opposite entity?	Yes	

Effective immediately, employees no longer need to register upon their arrival at work.

Thank you for your understanding and cooperation with sanitary measures. If you have any questions or concerns, please do not hesitate to contact me at the coordinates below or visit our website at <https://waleshome.ca/all-the-news>.

Sincerely,
