REGARDING: 132ND WALES COVID-19 UPDATE

Dear Residents, Employees, Family Members, and Volunteers,

On Saturday, thirty residents and thirty employees tested negative for COVID-19. Public Health advised that Norton 3 residents will be retested on Wednesday, August 24th, 2022 and, if results are still negative, the quarantine will be lifted on Thursday, August 25th, 2022. A third mass testing will be scheduled for Norton 3 residents on Day Nine of the two positive residents' infection, tentatively on Sunday, August 28th, 2022. Please note that these two mass testing sessions will *not* include the employees. The two residents who are positive must remain under strict self-isolation in their room until Monday, August 29th, 2022.

Please note that visitors not respecting Public Health regulations will have their visit privileges revoked.
