REGARDING: 118TH WALES COVID-19 UPDATE

Dear Residents, Employees, Family Members, and Volunteers,

I have good news; there were *no* new positive COVID-19 cases at the Wales today! Please see the table below for resident positivity since Sunday, April 3rd, 2022:

	Manning and Shaw 2*	15/26 = 58%		
	Shaw Sub-Basement	2/3 = 67%		
	Shaw 3	5/8 = 63%		
	Shaw 4 and Mitchell Wing*	8/10 = 80%		
Total			128/187 = 68%	30/128 = 23%

*One resident is out.

The following bullet points paint an accurate picture of our current Human Resources situation:

- Twenty-two percent of our employees are positive, constituting thirty-six out of 167 individuals and causing 180 missing shifts
- Twenty-one out of thirty-six of these employees completed their five-day self-isolation from work, meaning fifty-eight percent are back, or 105 shifts
- Since fifteen employees are still out sick, that means nine percent of our workforce, or seventy-five shifts, are left to be filled

Public Health informed us in our meeting this afternoon that, to lift outbreak self-isolations on a particular unit, there can be *no* new positive cases of the virus among residents and employees for *fourteen* days. Tomorrow, an infection control nurse will be here to discuss reopening the Main Dining Room.

Thank you for your understanding and cooperation with sanitary measures. I appreciate your efforts to help us protect our residents and employees from this deadly virus. If you have any questions or concerns, please do not hesitate to contact me at the coordinates below or visit our website at <https://waleshome.ca/all-the-news>.

Sincerely,
