Residents, Employees, Family Members, and Volunteers

REGARDING: 137TH WALES COVID-19 UPDATE

Dear Residents, Employees, Family Members, and Volunteers,

Public Health is starting the annual influenza vaccination campaign four weeks earlier this year. The CIUSSS-CHUS's mobile immunization team chose to inoculate our RPA residents on Friday, October 14th, 2022. Residents are asked to kindly wear a short-sleeved shirt that day and bring their Régie de l'assurance maladie du Québec card if they live in an apartment. Please see the table below for times:

| Unit | Approximate Time | Location |
|--------------------------------|------------------|------------------|
| Manning Basement | 9:45 a.m. | Main Living Room |
| Shaw 3 | | |
| Shaw 4 and the Mitchell Suites | | |
| Manning 1 | 10:20 a.m. | Main Living Room |
| Shaw 1 | | |
| Manning 2 | | |
| Shaw 2 | 11:45 a.m. | Central |
| Central | | |

CHSLD residents will be vaccinated by our nurses. Our CHSLD Doctor recommended we ask Public Health if there are any active flu cases in the Estrie this month. If there are, we will vaccinate the residents early. If not, we will wait until November, as the flu shot is only effective for four months and the Doctor would rather the winter months be covered.

If you have any questions or concerns, please do not hesitate to contact me at the coordinates below or visit our website at <https://waleshome.ca/all-the-news>. Thank you for helping keep our residents and employees safe!

Sincerely,

Brendalee Piironen
Executive Director
