Residents, Employees, Family Members, and Volunteers

REGARDING: 116TH WALES COVID-19 UPDATE

Dear Residents, Employees, Family Members, and Volunteers,

Yesterday, a CIUSSSE-CHUS nurse inspected the RPA to ensure infection prevention and control measures are properly implemented. She had one suggestion; when delivering trays to COVID-19-positive residents, employees must remove their personal protective equipment *before* leaving the apartment, room, or suite, as hallways are considered green zones. Today, one resident tested positive for the virus. Yesterday's update should have stated that twenty-two Norton 1 residents are positive, *not* seventeen; I apologize for the confusion. Please see resident positivity statistics since Sunday, April 3rd, 2022 in the table below:

Entity	Unit	Positivity Percentage	Total
CHSLD	Norton 1	22/32 = 69%	71/96 = 74%
	Norton 2	25/32 = 78%	
	Norton 3	24/32 = 75%	
RPA	Central	0/12 = 0%	57/91 = 63%
	Manning Basement	8/9 = 89%	
	Manning and Shaw 1	19/23 = 83%	
	Manning and Shaw 2*	15/26 = 58%	
	Shaw Sub-Basement	2/3 = 67%	
	Shaw 3	5/8 = 63%	
	Shaw 4 and Mitchell Wing*	8/10 = 80%	
Total			128/187 = 68%

*One resident is out.

Since Sunday, April 3rd, 2022, thirty-four employees have been out sick due to COVID-19. As of today, nineteen have returned for a total of fifty-six percent.

Thank you for your understanding and cooperation with sanitary measures. I appreciate your efforts to help us protect our residents and employees from this deadly virus.
