Family Members

RE: FIFTY-SECOND WALES COVID-19 UPDATE

Dear Family Members,

Due to the number of positive COVID-19 cases in our region, Public Health placed the Estrie in the Red Zone. Below are the measures associated with this vigilance level:

Group Activities: Maximum of eight residents instead of the ten permitted in Orange Zones

- Activities must be supervised by an employee.
- Objects may not be shared.
- A two-meter distance must be maintained between each person.
- Hand hygiene must be performed before and after activities.
- Proper application of mask with the nose and mouth covered is necessary
- Disinfection of touched surfaces must be done after each activity.

The **Billiard Room** is *open* for individual use *only*, and disinfection must be done after each use.

The **Library** is *closed* until further notice. Please speak with Marie-Christine or Carol Ann in the Activity Department for book requests.

Residents must maintain a *constant* two-metre distance in the **Therapeutic Pool**. Masks can be removed while in the pool. The **Dressing Rooms** are still closed.

The **Stationary Bike** in the **Therapy Room** is available for use, while under supervision, one person at a time. Masks must be worn when circulating throughout the room but can be removed while exercising.

A maximum of ten residents may attend **Church or other religious activities** at a time. Masks can be removed while seated.

Only essential **outings** are permitted, including medical appointments, groceries, or pharmacy errands. Gatherings are still not permitted, so residents may not visit private residences.

Visitation: Each resident is authorized to have two primary caregivers, although these individuals cannot visit in the same twenty-four-hour period.

We will continue to provide you with regular updates, and we encourage you to contact us with questions or concerns or visit our website at www.waleshome.ca/all-the-news. Thank you again for your support and cooperation as we head toward a brighter future together.

Sincerely,

Brendalee Piironen
Executive Director
