Residents, Employees, Family Members, and Volunteers

MANDATORY MASK MANDATE

Dear Residents, Employees, Family Members, and Volunteers,

Due to the increased number of residents and employees infected by respiratory viruses and gastro symptoms, effective immediately, **all employees and visitors must wear a procedural mask while inside the building.** Please note of the importance of protecting our vulnerable residents as we want to limit isolations and allow our residents to resume normal activities. As soon as the situation permits, the mask mandate will be lifted.

On Friday, October 20th, 2023, the vaccination mobile team will be onsite to administer the Flu, pneumovax and Covid vaccines to eligible residents living in the Wales. Please ensure residents wear a short sleeve shirt for easy and quick vaccination.
